## **ATCO Gas support brings warmth and comfort to Penhold Multiplex**

**Edmonton, AB.** — Fundraising efforts for Penhold’s new Regional Multiplex received a \$10,000 boost from ATCO Gas today.

“We are pleased to support and be a part of this exciting project,” says Brian Hahn, president of ATCO Gas. “The new facility will help meet the educational, health and recreational needs of those living in Penhold and surrounding communities.”

“It’s fitting that ATCO’s donation will be used to purchase an energy-efficient natural gas fireplace to bring warmth and comfort into the Multiplex’s library,” adds Mr. Hahn. “A fireplace is a place for meeting, conversation and quiet relaxation and will enhance the learning experience for all those visiting the library.”

“I wish to thank ATCO Gas for their generous contribution today,” says Mayor Julia King. “This donation reinforces ATCO’s commitment to our community. In addition to what ATCO does each day to provide our residents with the safe and reliable delivery of natural gas, this donation helps to provide our families with a safe and comfortable venue for lifelong learning.”

ATCO Gas provides safe, reliable natural gas distribution to more than one million Albertans and is part of the ATCO Group of Companies. Alberta-based ATCO Ltd., with more than 7,700 employees and assets of approximately \$9.9 billion, delivers service excellence and innovative business solutions worldwide with leading companies engaged in Utilities, Energy, Structures & Logistics, and Technologies.
